

Sheltering in Place

**If you
are
told to
Shelter
in Place:**

1. Get indoors immediately.
2. Close doors and windows.
3. Shut off heaters and air conditioners. Close fireplace dampers.
4. Other precautions to consider: cover nose and mouth with wet cloth and seal windows with cloth.
5. Listen to 1610 AM, 1620 AM or cable television station for information.
6. Wait for additional instructions. Following an "all clear" message, air out your home.
